Questions about Pledging/Estimating your Giving

What is a Pledge? How is it different from an offering?

By completing an Estimate of Giving Form, we become intentional and regular in supporting St. Andrews' parish ministries. We put God at the head of our giving and spending.

Why does my Estimate matter?

Your Estimate supports our weekly worship, Sunday School, pastoral care, music programs, fellowship time with each other, and outreach to our community and beyond. As St. Andrew's seeks to expand its ministries beyond our doors, reaching deeper into the community and touching more lives, your Estimate provides reliable resource estimates to budget for creating and sustaining these ministries.

What if this is an uncertain year for me? I don't want to make a Estimate I can't fulfill.

It's important, both for St. Andrew's ability to budget, and for your own spiritual growth, to make an Estimate of committed support. A Pledge/Estimate is not a binding contract. You can change it, up or down during the year as your circumstances change simply by contacting the church office.

What if I don't want everybody knowing what I give?

At St. Andrew's we understand that money matters are confidential. The Treasurer and pledge committee are informed of who has pledged, but not of the amounts. That information is known only to the Parish Administrator, who holds it in strictest confidence.

How much should I commit?

In truth, we can never give back to God as much as He has given us. However, we do recommend that you start by reflecting on what God has given to you. If God has provided ample resources for you, you should offer a significant portion back to God as thanks. A good place to start is with a percentage of your income.

The tithe (10%) is the Biblical standard of giving, and a good spiritual discipline, but it can be a stretch for many families. Begin by calculating what percentage you are giving now, and commit to increasing it, as you can. If you already tithe, consider stretching further.

How can I pay my Estimate?

You can pay weekly, monthly, quarterly, or annually, by check placed in the offering plate or mailed to St. Andrew's PO Box. You can pay through the St. Andrew's website via Paypal, or through the Diocese of the Rio Grande's website, or you can arrange recurring ACH transfers from your checking account. (If you pay via Paypal or through the Diocese, please consider increasing your payments by 3 % to cover their fees.) If you are taking Minimum Required Distributions from your IRA, there are tax advantages to setting up a direct "trustee to trustee" transfer from your IRA to St. Andrew's. Contact the Treasurer for more information.
