

# Four Paws Pet Pantry

*A Community Ministry of St. Andrew's Episcopal Church*

Four Paws Pet Pantry strives to ease the burden of feeding furry family members due to a temporary lack of resources whether caused by difficult economic times or emergencies. Our pets not only give us companionship and unconditional love, they may be our only source of comfort when we are alone or facing hard times. The volunteers at Four Paws are working to do what they can to keep pets where they should be — in their forever homes.
